GIS-Web [See FAQ for details.](#)
[County Login](#)

To begin your search, simply enter full or partial values in any of the fields provided and click Search. Entering values in more than one field will search for records that match those values.

If you receive unexpected results, please consult the FAQ for potential explanations.

Basic Search

Primary Property Address		Owner	Parcel
House # <input type="text"/>	Unit <input type="text"/>	Name <input type="text"/>	ID <input type="text"/>
Street <input type="text"/>	<input type="text"/>	(e.g. Doe, John)	(e.g. 07800-00-00-02200)
Subdivision <input type="text"/>		Recent Sales	
Name <input type="text"/>	From <input type="text"/>	To <input type="text"/>	(mm/dd/yyyy)
<input type="button" value="Clear All"/>		<input type="button" value="Search"/>	

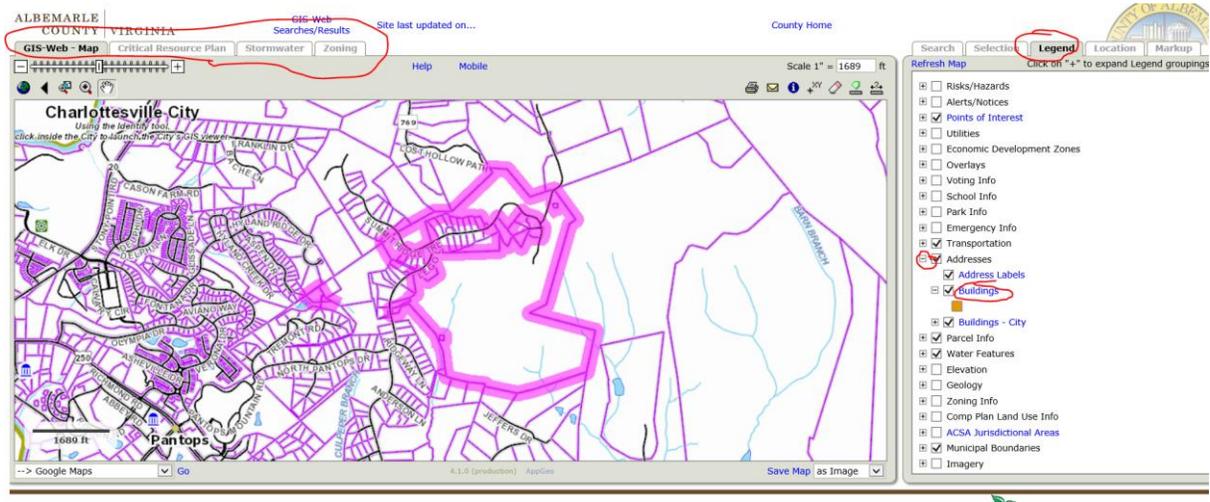

2. If you use the search page you will then need to click on the Map or Map All option

Search Results [Click a column heading to sort by that column](#) [Mailing Labels](#) [Export List](#) [Map All](#)

Records 1 to 20 of 186 (186 on map)

		Parcel ID	House#	Unit	Street	Owner

<input type="button" value="Map"/>	<input type="button" value="Property Info"/>	078A0-00-00-00200	220		LEGO DR	BRITTON ERIC S

3. On the maps page there are several preset tabs across the top you can use, or you can use the legend to set up the map how you would like

4. You can also hit the plus (+) symbol next to any of the groupings on the legend to see what layers might be available
5. Check the box next to the layer and either hit refresh map to see it show up on the map or zoom in/out to have the new layer turn on
6. You can click on the name for more information on that layer

Maps – NEW GISWeb

7. To view/show information on the map click on the Maps tab
